Hello Ms. Clark,

I am attaching the signed petition for the opposition of the proposed rezoning to 913-915 W Oltorf. It is my understanding that an original signature is mandatory. I am and have been in Mexico assisting my ill adult daughter. Things down here are very unpredictable, but predictably slow!

I have been trying since I signed this petition on March 30, 2021 to get it to Austin via DHL, the most reliable courier here. As things go down here, the letter will not arrive until after the council meeting tomorrow. I would very much appreciate my "vote" to oppose this proposal be accepted by the council without my original letter there due to my attenuating circumstances.

Thank you for your consideration,

Debbi Winder

Galindo Neighborhood, Austin, TX: Say NO to More Alcohol-Only Establishments

On March 25th, the Austin City Council will vote on the proposed rezoning change of 913-915 W. Oltorf St. The proposed change would allow for the conversion of the laundromat into a liquor store.

We are Galindo neighbors and residents of the South Austin community. There are many options located nearby to purchase liquor already. We are opposed to the addition of another liquor store in our residential area.

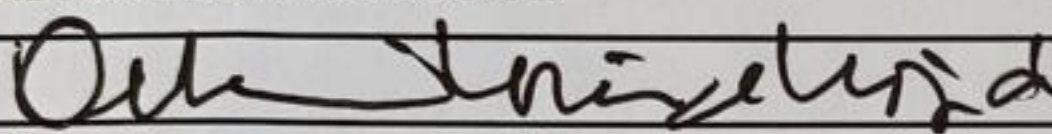

Liquor stores are known to contribute to crime, vagrancy, and questionable behavior in the general vicinity. Their presence reduces property values and encourages loitering and other undesirable activities.

Please show your opposition to this proposed rezoning by signing our petition.
